

# ART LEC/LAB (ARTC)

## ARTC 1201 Two-Dimensional Design

**Credit Hours:** 3

This course covers the fundamentals of the basic elements and principles of design on two-dimensional planes. This course investigates the vocabulary, theory, materials, and techniques involved in creating two-dimensional design forms by hand. This course may be repeated for a maximum of twelve credits.

## ARTC 1300 Drawing 1

**Credit Hours:** 3

**Lab Fee:** Yes

This course is an introduction to the fundamentals of drawing and composition using a variety of media. This course may be repeated for a maximum of twelve credits. The student will be expected to purchase supplies above and beyond the lab fee cost.

## ARTC 1330 Drawing 2

**Credit Hours:** 3

**Prerequisites:** ARTC 1300 with a grade of "C" or higher or Consent of Instructor

This course focuses on observational and representational figure drawing techniques using live human models and other anatomy references. This course may be repeated for a maximum of twelve credits.

## ARTC 1750 Ceramics 1

**Credit Hours:** 3

**Lab Fee:** Yes

This course covers introductory ceramic and pottery techniques, including wheel and hand-built construction. Topics include construction techniques, embellishments, glazing, firing, and finishing both functional and non-functional forms. This course may be repeated for a maximum of twelve credits. The student will be expected to purchase supplies above and beyond the lab fee cost.

## ARTC 2203 Three-Dimensional Design

**Credit Hours:** 3

**Prerequisites:** ARTC 1201 with a grade of "C" or higher or consent of instructor

**Lab Fee:** Yes

This course covers the elements and principles of design in three dimensions. Students investigate the vocabulary, theory, materials, and techniques involved in creating three-dimensional design forms. Emphasis on the design process, planning, and problem solving. This course may be repeated for a maximum of twelve credits.

## ARTC 2400 Printmaking

**Credit Hours:** 3

**Prerequisites:** ARTC 1300 or ARTC 1201 with a grade of "C" or higher or consent of instructor

**Lab Fee:** Yes

This course is an introduction to the fundamentals of hand printmaking, using a variety of techniques. This course may be repeated for a maximum of twelve credits. The student will be expected to purchase supplies above and beyond the lab fee cost.

## ARTC 2500 Painting 1

**Credit Hours:** 3

**Prerequisites:** ARTC 1300 with a "C" or higher or consent of instructor

This course focuses on observational and representational painting techniques using oil or acrylic paint. The student will be expected to purchase supplies for this course. This course may be repeated for a maximum of twelve credits.

## ARTC 2502 Advanced Painting

**Credit Hours:** 3

**Prerequisites:** Consent of instructor

This course explores advanced painting techniques and practices with an emphasis on planning, research, and problem solving. The student will be expected to purchase supplies for this course. This course may be repeated for a maximum of twelve credits.

## ARTC 2540 Watercolor

**Credit Hours:** 3

**Prerequisites:** ARTC 1300 with a grade of "C" or higher

This course focuses on observational and representational painting techniques using transparent watercolor paint. This course may be repeated for a maximum of twelve credits.

## ARTC 2553 Acrylic Painting

**Credit Hours:** 3

**Prerequisites:** ARTC 1300 with a grade of "C" or higher or consent of instructor

This course focuses on observational and representational painting techniques using acrylic paint. This course may be repeated for a maximum of twelve credits.

## ARTC 2701 Sculpture

**Credit Hours:** 3

**Prerequisites:** ARTC 1201 or ARTC 1300 with a grade of "C" or higher or consent of instructor

**Lab Fee:** Yes

This course is a survey of sculpture techniques, with an emphasis on the principles and elements of design as it relates to three-dimensional form. This course may be repeated for a maximum of twelve credits. The student will be expected to purchase supplies above and beyond the lab fee cost.

## ARTC 2751 Ceramics 2

**Credit Hours:** 3

**Prerequisites:** ARTC 1750 with a grade of "C" or higher

**Lab Fee:** Yes

This course covers intermediate ceramic and pottery techniques, including wheel and hand-built construction. Topics include construction techniques, embellishments, glazing, firing, and finishing both functional and non-functional forms. This course may be repeated for a maximum of twelve credits. The student will be expected to purchase supplies above and beyond the lab fee cost.
