The A.S. Business Entrepreneurship degree has the following associated College Credit Certificate (CCC):

- [Business Entrepreneurship CCC](#)

This program is designed for students who want to start their own business. Emphases are placed on Entrepreneurship, Business Planning, Opportunity Analysis and Franchising, Funding Acquisition, Legal Issues, Small Business Accounting and Finance, and Small Business Management. This program will assist students in developing crucial knowledge and technical skills required in launching a new business venture. Instruction in this program provides a balanced curriculum of general education, business-related subjects, and core Entrepreneurship courses.

Refer to the [Associate in Science Degree Programs](#) overview to find information about admission, graduation, general education and other requirements. Students who need technical electives will work with a bachelor's advisor to determine the courses best suited to their plan of study.

Visit the [program page](#) for more details and how to apply.
