

HEALTHCARE NAVIGATOR, ASSOCIATE IN SCIENCE

Program Code: HNAS

Meta-Major: HSCI

Location(s): Cocoa, Online

Delivery Method(s): Hybrid, Online

Previous Degree Required: HS Diploma

Eligible for Financial Aid: Yes

Additional Limited Access Application Process Required: No

Program Testing Requirements: CPT - Common Placement Test (PERT, ACCUPLACER, SAT, ACT)

Classification of Instructional Programs (CIP) Code: 51.2208

Florida Department of Education CIP Code: 1351220800

The Healthcare Navigator A.S. degree program has the following associated College Credit Certificate (CCC):

- [Healthcare Navigator Specialist CCC](#)

This is a two-year associate in science degree program in Health Navigation. Health Navigators assist patients in gaining access to resources that contribute to treatment adherence and overall health improvement. Students graduating from this program will have the relevant skills and knowledge necessary for furthering their education in the Health Sciences. Communication, leadership, computer literacy, medical and legal ethics, and health and safety will be emphasized. General education courses should be completed prior to entry into the program. Completion of the Healthcare Navigator Specialist college-credit certificate may be used as an acceleration method in this program. [Visit the program page for more details and how to apply.](#)
