This certificate program is designed to prepare students for employment as a facial specialist. They may work in beauty salons, day spas, dermatologists' offices, plastic surgeons' offices, major cosmetic companies, as well as theme parks as make-up specialists. Classroom and clinical instruction prepares students to function as an esthetician in varied settings and roles. Admission to the Facial Specialty certificate and the Cosmetology programs are limited.

Refer to the [Career and Technical Certificates](#) overview page to find information about admission, graduation, testing, and other requirements.

Visit the [program page](#) for more information or call 321-433-7575.
