This certificate program prepares students for safe, dependable, and prompt performance of a fire fighter's tasks during emergencies and in the fire station. Students learn the tasks, duties, and responsibilities of fire fighting. Those who successfully complete the course and meet all Bureau of Fire Standards and Training (BFST) requirements and testing receive state certification. Florida Statutes require this certification for employment in the fire service. High School diploma or GED required.

The first module (Part 1) concerns those subjects addressed in the NFPA 1001 Professional Qualifications Standard for Fire Fighter 1 and meets the BFST requirement for volunteer fire fighter.

The second module (Part 2) addresses those subject areas in NFPA 1001 for Fire Fighter 2 and meets the BFST requirement for career fire fighter. To be eligible for enrollment, students must meet all state and Eastern Florida requirements which include but are not limited to:

- Submit BFST required application forms
- Complete BFST required medical exam
- BFST required background check
- Be of good moral character
- Eastern Florida physical agility test
