The Educational Assisting College Credit Certificate program at Eastern Florida State College is part of the [Educational Technology Assistant Associate in Science](#) degree. The certificate coursework also provides the common prerequisites for an education major at the bachelor's level.

This certificate does not translate to a teaching certificate. The content includes, but is not limited to:

- general education and philosophy
- child growth and development theories
- psychological and sociological aspects of teaching the disadvantaged and handicapped
- concepts and values of diversity in the classroom
- behavior analysis
- education processes and theories of learning
- school procedures
- school resources
- education clerical processes
- test construction
- interpretation, evaluation and grading
- instructional delivery utilizing updated technology resources
- leadership and human relations skills
- health and safety
