

REFUNDS

Students whose financial aid exceeds their EFSC charges and book voucher charges are eligible to receive a refund to use for living and other educational expenses. The date for refund processing are published on the EFSC website. EFSC has partnered with BankMobile Disbursements, a technology solution powered by BMTX, Inc., to process refunds and offers two refund options. The time between EFSC sending the refund file to BMTX, Inc. and students receiving the refund depends on the student's selected refund preference with BMTX, Inc.
