

STUDENT INSURANCE

Insurance coverage with respect to injuries or accidents while enrolled at EFSC is generally affected by private contract between an insurance company of choice and the student or parent and is not a requirement of general admission. EFSC does not provide insurance coverage for student injuries or accidents except in limited circumstances. Students should check with their campus Admissions and Records office for availability of insurance application forms provided by carriers specializing in college-student insurance. Health Sciences students should contact Health Sciences with questions regarding insurance requirements for health sciences programs.
