

CLASS PARTICIPATION STANDARDS

Regular class participation is required at Eastern Florida State College. Students are expected to attend all classes and actively participate and complete all assigned course work for all courses for which they are registered. In order to obtain credit for a course, a student must demonstrate continued classroom participation as identified by the faculty to meet the competencies of the course.

Students who are reported as never attending a course will be withdrawn from the class. Veterans benefits will be adjusted or rescinded accordingly.

It is the policy of the Department of Veterans' Affairs that veteran students who withdraw from a class after the established drop deadline or are administratively withdrawn will be required to repay all benefits received for those classes unless mitigating circumstances are determined as excusable by the Department of Veterans' Affairs.

The only exception to this policy is that the VA may allow students to withdraw one time for a maximum of six credit hours without having to furnish mitigating circumstances and/or repay benefits.

Students receiving veteran's benefits who are reported as never attending a course will be withdrawn (W7) from the class and benefits adjusted or rescinded. Students are required to attend courses until the end of the term.
