

# ACADEMIC ADVISING

---

Advisors provide information about graduation requirements, interpretation of placement tests, transfer options, course selection consultation and referral for career direction and referrals to outside agencies for students' personal concerns. Services are available by appointment or on a walk-in basis in the Student Services office on each campus. All first-time in college students must see an advisor prior to registering. EFSC employs a case-management approach to advising to ensure students receive personalized attention to help them achieve their academic goals.
