

CAREER PLANNING & DEVELOPMENT CENTER

Career Planning is an essential component of a well-rounded education – that's why Eastern Florida State College offers the college-wide Career Planning & Development Center, with a location on each campus. When you include career planning in each stage of your college experience, you can assess how your education and training at Eastern Florida can help you reach your goal of becoming a skilled and marketable employee. Part of your education could include an Internship. If your degree offers an [Internship](#) contact Lisa Schuler at (321) 433-5261.

Our Centers are designed to help you whether you're choosing your first career or switching careers. We provide resources for students, alumni, employers and job-seekers. Center hours vary from one campus to another, so be sure to visit the website or call:

Cocoa (321) 433-5571	Melbourne (321) 433-7091
