

CLUBS AND ORGANIZATIONS

Honorary, service-oriented, special interest and professional clubs and organizations are available on each campus for EFSC students. To learn more, or to join a club or organization, check with the campus [Office of Student Life](#).

Performance and Visual Arts

For students who wish to pursue the visual arts, musical, theatrical or dance activities, EFSC offers art, choral groups, college bands, orchestra, vocal and instrumental jazz ensembles, theatre and dance classes. Music/Audio technology is also offered. College credit and some scholarships are available in these areas. For more information, visit the [Performance and Visual Arts](#) web page.

Student Government

Each EFSC campus has its own Student Government Association (SGA). The student organizations and clubs on each campus make up the SGA. They offer a wide range of activities that provide academic enrichment and personal fulfillment opportunities such as educational outings, community services, team building, concerts, art and craft fairs, dances, and intramurals. Contact a campus SGA office for information on starting or joining a club. The purpose of the SGA is to ensure broad student involvement in college committees, campus activities and college, campus, community events. Students will be represented by the elected Executive Board. Election of SGA Executive Board members occurs each spring. All registered students may vote for SGA Officers. The representatives are elected from the student body at large. All activities of student government are conducted in accordance with the established policy and procedures. For more information, visit the [Student Government Associate](#) web page.
