

LIBRARIES

EFSC has libraries on the Cocoa, Melbourne, Palm Bay, and Titusville campuses, each with its own unique collections. In addition to books, electronic books, audiobooks, streaming media, databases, and periodicals, the library has laptops, calculators, and headphones. They also have a collection of textbooks available on reserve for use in the Library or older editions that can be checked out. Popular fiction title books as well as a variety of DVDs (movies and educational) are also available for check out. Library materials can be borrowed using your student ID; your online Library log in can be accessed via myEFSC or the library website using your student ID number and PIN.

All campus libraries provide computers with internet access, wireless services, and a variety of software applications. Computers with webcams for exam proctoring are available in a limited number of study rooms by reservation. Individual and group study rooms can be reserved or used first-come, first served basis. Additionally, each student has a \$4.00 print balance at the start of each semester to use when printing materials in black-and-white or color. Black-and-white print outs are \$0.10 each and color print outs are \$0.25.

If you need assistance while researching or working on course assignments, librarians are available to help via the Ask-A-Librarian feature on the library's webpage. You can chat, text, or email an EFSC librarian directly during the times listed below:
