

STUDENT SUPPORT

Mission and Goal Statement

Eastern Florida State College, by virtue of its institutional purpose and mission, has a responsibility to provide appropriate student services based upon the individual needs of all students. EFSC's Student Services is charged with meeting those student needs not traditionally associated with classroom activity. Specifically, the mission of Enrollment Management is to provide assistance with academic assessment, admission, advisement, course placement, class registration, class scheduling, career planning, referrals to external agencies for support services, and development of student leadership and social skills. As an integral part of the "learning-centered college," Student Services strives to increase students' social and academic integration, students' development of education and career plans, and students' acquisition of study and life skills.

Academic Advising

Advisors provide information about graduation requirements, interpretation of placement tests, transfer options, course selection consultation and referral for career direction and referrals to outside agencies for students' personal concerns. Services are available by appointment or on a walk-in basis in the Student Services office on each campus. All first-time in college students must see an advisor prior to registering. EFSC employs a case-management approach to advising to ensure students receive personalized attention to help them achieve their academic goals.

Academic Success Center

The Academic Success Center provides comprehensive academic assistance and support. Free tutoring services are offered on-campus and virtually for your EFSC courses in math, writing, science, computers, and more. Other services provided by the Academic Success Centers include workshops, reviews, study group sessions, and computer support. The Academic Success Center is dedicated to helping students succeed in their classes at EFSC. [Please visit our website](#) to connect with us online.
