

TRIO- STUDENT SUPPORT SERVICES

The TRiO-Student Support Services is a federally funded grant program implemented to help increase the retention, graduation, and transfer rates among first generation college students (i.e. students whose natural or adoptive parents do not have a four-year college degree) and economically disadvantaged students. Students must have a strong academic need, be U.S. citizens or permanent residents, completers of a regular high school diploma or GED, and be first-time degree or certificate seeking. Services include academic advisement, schedule planning, registration, tutoring, mentoring, career assessment, degree/graduation audits, scholarship searches, cultural and social activities, and university campus tours. Services are of no cost to students; however, students must meet program criteria to be considered for program admission. An official application and mandatory orientation must be completed to be an active program participant.
