

ASSESSMENT SCORES USED FOR PLACEMENT

In response to the State-mandated (SBE 6A-10.0315) update (9/19) added ACCUPLACER Next Generation to the list of approved tests with interim College Reading scores for placement purposes for non-exempt students. Students with PERT Math 130+ or QAS 258+ (up to August 2022) are eligible to take AAF for advanced math placement.

The following matrix provides guidelines for placement into college level and remedial courses. Students should see an advisor to determine exemption or placement recommendations. Note: Scores used for placement are in effect at the time of the publication of this catalog. However, the Florida Department of Education may mandate new college ready cut scores at any time.

College Ready - No Remediation Required

English/Communications

Test Used for Assessment:	PERT	ACCUPLACER Next Generation	Redesigned ACT SAT
ENG 1002 - Critical Reading and Writing for College Success ¹			
ENC 1101 - Composition 1 (and other writing courses that meet Florida's College-level Communication Standards requirements) ²	Writing 103+ and Reading 106+	NG Reading 245+ & NG Writing 245+	Reading 24 and Writing and Language 25

1

Suitable for students who want to strengthen skills before taking ENC 1101 Composition 1 or other Gordon Rule classes. 50% reading comprehension, 30% basic composition skills, 20% technology skills including LMS, word processing, and online research.

2

Effective August 2022, there will be an increase in cut score requirements for ENC 1101: NG Reading 56+ and NG Writing 253+

Mathematics

Test Used for Assessment:	PERT	ACCUPLACER Next Generation	Redesigned ACT SAT
MAT 1033 - Intermediate Algebra ¹	Math 114 - 122	Quantitative Reasoning, Algebra, & Statistics (QAS) 242+	Math 24.0 Math 19+
MGF 1106 - Liberal Arts Math 1 or MGF 1107 - Liberal Arts Math 2 or MAC 1105 - College Algebra	Math 123+	Quantitative Reasoning, Algebra, & Statistics (QAS) 258 - 300	Math 27.5 Math 20+
MAC 1105 - College Algebra		Advanced Algebra Functions (AAF) 200-249	
MAC 1114 - College Trigonometry MAC 1140 - Precalculus Algebra		Advanced Algebra Functions (AAF) 250 - 269	

MAC 1147 - Precalculus/Algebra Trigonometry	Advanced Algebra Functions (AAF) 270-279
---	--

1.

Effective August 2022, there will be an increase in cut score requirements for MAT 1033: NG QAS 261+

Remedial Course Recommendations

Writing

Test Used for Assessment:	PERT	ACCUPLACER Next Generation	Redesigned ACT SAT
ENCV 0015 Developmental Writing 1	050 - 089	NG Writing 200-236	Writing & Language 10 - 20
ENCV 0025 Developmental Writing 2 - 089	Writing 050	NG Writing 237- 244	Writing & Language 21 - 24
ENCV 0056 Developmental Writing Modular ¹	Writing 090 - 102	NG Writing 237-244	Writing & Language 21 - 24

1

No prerequisite. The course is open to any non-exempt or exempt student, but students with scores below the recommendations above, or comparable scores on other placement tests, are advised to enroll first in ENCV 0025 Developmental Writing 2.

Reading

Test Used for Assessment:	PERT	ACCUPLACER Next Generation	Redesigned ACT SAT
REAV 0007 Developmental Reading	Reading 050 - 083	NG Reading 200 -236	Reading 10 - 20 Reading 1 - 13
REAV 0017 Developmental Reading	Reading 084 - 105	NG Reading 237-244	Reading 21 - 23 Reading 14 - 18
REAV 0056 Developmental Reading Modular ¹	Reading 095 - 105	NG Reading 237 -244	Reading 21 - 23 Reading 17 - 18

1

No prerequisite. This course addresses, in condensed form, the same learning objectives of REAV 0017 Developmental Reading 2. The course is open to any non-exempt student, but students with scores below those recommended above, are advised to enroll first in REAV 0017 Developmental Reading 2.

Combined Reading and Writing

Test Used for Assessment:	PERT	ACCUPLACER Next Generation	Redesigned ACT SAT
ENCV 0027 Combined Reading and Writing ¹			

1

Completion of REAV 0007 Development Reading 1 or appropriate reading cut score for placement into REAV 0017 Developmental Reading 2. However, students with writing cut scores below 95 (PERT) or 237 (NG) are advised to enroll in separate reading and/or writing courses.

Mathematics

Test Used for Assessment:	PERT	ACCUPLACER Next Generation	Redesigned ACT SAT
MATV 0018 Developmental Math 1	Math 50 - 95	Quantitative Reasoning, Algebra, & Statistics (QAS) 200-220	Math 10.0 - Math 1 - 12
MATV 0028 Developmental Math 2	Math 96 - 113	Quantitative Reasoning, Algebra, & Statistics (QAS) 221-241	Math 19.5 - Math 13 - 23.5 18

MATV 0057 -
Modularized
Developmental
Mathematics¹

1

Open to any student regardless of placement scores. Students showing a high level of need should consider taking MATV 0018 Developmental Mathematics 1 or MATV 0028 Developmental Mathematics 2
